two 4-1/2" x 20-1/2" rectangles. Keep these organized in a set together.

From at least* seventeen 2-1/2" strips in the Roll Up, cut:

one or two* 2-1/2" x 20-1/2" rectangles.

**More strips can be used for additional variety. A total of thirty-four 2-1/2" x 20-1/2" rectangles need to be cut from the Roll Up.*

From the Binding Fabric, cut:

eight 2-1/2" x WOF strips.

Assemble the Quilt

Step 1: Gather the 2-1/2" x 20-1/2" rectangles cut from the Roll Up. Arrange the strips in the order you would like them to appear in the quilt. You'll notice in the quilt image on the cover that the strips are arranged to create a gradient.

Step 2: Pick up the first two strips in your arrangement and sew them together, lengthwise. Press open or towards the darker fabric. Repeat to make seventeen strip pairs.

Step 3: Refer to the Quilt Assembly Diagram on the next page for the sizes of Fabric A rectangles needed to complete each column of the quilt. The sets of Fabric A pieces you organized while cutting should match the sizes of pieces that are needed to complete each column. Arrange the Fabric A pieces and the strip pairs from Step 2 to form the quilt top.

Step 4: When you are happy with your arrangement, sew the Fabric A rectangles to the top and bottom edges of the strip pairs, then press the seams open or towards the darker fabric.
Step 5: Sew the columns together and press the seams open or to one side to complete the quilt top.

Your quilt top is now complete! Baste, quilt, bind, and enjoy!
